This petition is to request permission to re-repeat a computer science course. Please refer to the BYU Computer Science Department’s repeat policy: [https://cs.byu.edu/retake-policy](https://cs.byu.edu/retake-policy).

Opportunities to re-repeat will be granted based on individual circumstances. **All petitions are due by the first day of class for the semester in which you intend to re-repeat the course and will be evaluated before the add/drop deadline of each semester and term.**

First Name (Middle) Last Name NetID

Section One: Compensating Experience

Completion of the following task is required to be eligible to re-repeat a course:

- Completion of a pre-approved STEM course with a B- grade or better

*Courses must be pre-approved before submitting this petition by contacting the Undergraduate Program Manager or the Undergraduate Program Advisor.*

*STEM courses must be taken after the date of completion or withdrawal from the course you intend to re-repeat.*

What pre-approved STEM course are you taking?

---

What semester did you take/plan to take the required STEM course?

---

If the course is from an accredited university other than BYU-Provo, please specify:

---

Section Two: General Information

A petition for exception to policy requires you to provide a written statement including the following information:

Course you are petitioning to re-repeat: __________________________

Date when course was last taken: __________________________

Grade received: __________________________

Semester/term you intend to re-repeat: __________________________
Why wasn’t any action taken to avoid failing or withdrawing from the course?

How has the situation changed since failing or withdrawing from the course?

What are some experiences gained or changes made that will make success more likely?
